/src/detectorator.cpp"] --> B["detectorator.h"]; B --> C["opencv2/opencv.hpp"];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains a file path. A blue arrow points down from the top box to a white box in the middle, which contains a header file name. Another blue arrow points down from the middle box to a white box at the bottom, which contains a library name.

detectorator.h

opencv2/opencv.hpp
